Complete the Fiscal Sponsor Information only if you, the applicant, are not a 501(c)(3) public charity, a unit of government or a public agency.

Due to IRS regulations, your application will require a “fiscal sponsor” partnership. A fiscal sponsor is a non-profit entity (i.e. a 501(c)(3) public charity, a unit of government or a public agency) that accepts responsibility for the project/activities of an organization that does not have tax-exempt status, but whose project clearly demonstrates a public benefit.

You, the applicant, are responsible for understanding fiscal sponsorship and securing your local fiscal sponsor prior to application to the foundation. If your project or idea will result in a tangible asset and/or capital improvement, the entity that ultimately owns (or will own) that tangible asset needs to be your fiscal sponsor. For example, the City would need to be the fiscal sponsor for a grant related to new playground equipment located in a city-owned park.
